Let's Face It

Have you ever stopped to take a closer look at the faces of Lebanon High School? When you get bored with the history film, the teacher, or just plain bored, watch the expressions on your classmates' faces. Cheerfulness . . . Confusion . . . Gratitude . . . Aggravation . . . Hopefulness . . . Discontent . . . Craziness . . . Every student comes in daily contact with the expressions of his peers. Next time, take a closer look. Let's Face It, there is more than meets the eye.

Prom

The juniors worked extremely hard on this year's prom. With everyone working together and experiencing the good times along with the "Not so good times-" the prom ended. The theme for the prom was "Oriental Magic" and students filled the atmosphere with oriental objects such as kites, fans, flowers, and the ever popular Chinese trees. Yvonne Iacobelli was crowned Prom Queen and was awarded an oriental fan with flowers, along with a crown. Post-Prom was popular with everyone enjoying the games, auction, food, and fun. The juniors will remember the "uniqueness" of their prom.

Graduation

The Class of 1981 graduated on May 22. This was the first year that the graduation ceremony was held on Friday night. The procession of seniors was led by Class President Doug Curts and the Candelaburm Committee. Valedictorian Debbie Gregory and Salutatorian Melinda Martin received coveted awards for their hard work and dedication throughout their four years of high school. It is hard to believe that 12 years of schooling had gone by so fast. For some this was a day of sadness and for others it was a day of pure joy. What now? The 1981 classmates will go in different directions although the memories still remain. Most will go to college and further their education in a specific area of interest and others will concentrate in the business world.

Homecoming

The theme for this year's homecoming was "Tigers are Best in The West". The events of the week were a complete success. Monday was "sweat" day and all students were urged to wear their sweats. Tuesday was crazy hats and glasses day followed by Wednesday's "punk-out" day, in which students came to school in loud clothes, too much make-up and green hair. The Powder Puff game was postponed to the week after homecoming because of lighting problems. Thursday was T-shirt day. The faculty-senior softball game, Homelycoming Queen Crowning, which was Donny Williams, and the traditional bonfire. Finally, Friday, students were asked to wear their western gear to show their spirit. All of these factors combined made Homecoming week a fantastic success.

Musical

The Lebanon High School Music Department performed "The Boyfriend" last March for three nights. Although the play lasted for one weekend, LHS students begun practicing two months ahead. "The Boyfriend" was a light drama about "HAVING THAT ONE SPECIAL BOYFRIEND". Major roles were held by Mary O'Neal, Doug Welch, Joe Westfall, Ginger Kreil, Donna Schreiner, Rick Simone, and Phil Juillerat. Mr. Mick Bridgewater and his wife Judy received high acclaims from the community for the production. The musical could not have run so smoothly if it weren't for Mr. Jon Sutton and the Pit Orchestra.

Class Leaders

The Senior Class Council, under the sponsorship of Mr. Dan Carmichael, led the Class of 1982 through a year high lighted by many events. The class leaders are President Jeff Garrard, Vice-President Joan Berry, Secretary Linda Everett.

Council members are Barbie Acton, Mike Dees, Rick Isenhower, and Petitional Seat members are Lori Collins and Angie Morgan. These officers were responsible for ordering caps and gowns and graduation announcements. They also took an active part in creating this year's winning Homecoming float and making plans for a successful Senior Dinner Party.

The Candelabrum Committee is made up of eight people. These people are Rick Isenhower, Joan Berry, Mike Dees, Linda Everett, Jeff Garrard, Barbie Acton, Rex Tayloe, and Julie Brandenburg.

The Candelabrum ceremony is a traditional ceremony performed at the Senior Dinner Party and at Graduation.

The Senior Dinner Party

The Senior Dinner Party was enjoyed by the seniors of 1982. The Candelabrum Committee, consisting of Joan Berry, Julie Brandenburg, Mike Dees, Linda Everett, Rick Isenhower, Rex Taylor, Barbie Acton, and Jeff Garrard, performed the traditional ceremony. Nancy Burroughs read the class poem entitled "The Unforgettable Class of '82". The decorating committee worked hard on the decorations for the tables. The entertainment committee worked diligently to prepare skits for the party. The MC for the evening was Donny Williams. Skits were performed by Angie Morgan, Lori Collins, Linda Everett, Jeff Garrard, Rick Isenhower, Barbie Acton, Joan Berry, Julie Brandenburg, Mike Dees, Rex Tayloe, Wes Gurley, Rick Simone, Rob Hawkins, Scott Lollar, Randy Dickerson, Gus Weismiller, Jeff Click, Sid Cero, Nancy Burroughs, and Annette Keeney. The menu for the evening was a breast of chicken on rice pilaf with green vegetables and salad. The desert was apple pie. The evening ended with Andres Voohris singing "Rainbow Connection". She was accompanied by Greg Welch who played the piano.

Cedars

The 1982 Cedars staff, sponsored by Nancy Servies, worked together closely to meet the various deadlines throughout the year. Work on the book began in July when many of the members of the staff attended Josten's American Yearbook Camp at Hanover College which helped them gain many new and useful ideas for the book. Also during the summer, editor Terri Flood and managing editor Sid Cero planned out the major details, while advertising editor Jill Downing organized ad sales throughout our area. Beginning in fall, Joe Westfall, subscriptions editor, sold numerous subscriptions for the yearbook to the incoming students before school, after school, and during lunch. Sports editors Joan Berry and Jon Sutton planned their section carefully and organized the team pictures. Organizations editor Rick Simone designed many photo ideas and learned how to write copy. Soon, underclassmen pictures were scheduled by underclassmen editor Laurie Bohannon, and senior portraits were arranged by senior class editor Carla Hawkins, while faculty editor Cheryl Cuningham acquired photos of the faculty and staff.

Pennant

This year's Pennant staff followed up on the important stories involving our school. It was led by, editor in chief Tim Niednagel, managing editor Nancy Burroughs, feature and opinion editor Lynda Moore, news editor Beth Clemens, sports editor Scott Lollar and photography editor Jeff Theil. Jeannie Martin was the sponsor with Jim Maines as printing consultant. Combined with the talents of the Journalism class, who also wrote for the paper, this was one of the Pennants best years. Members not only improved their writing skills, but they also learned other facets of newspaper production such as typesetting and word processing. Other members learned respnsibility from being chairmen of a staff of writers to whom they gave story ideas and assignments. Strict deadlines were also given to the staff throughout the year. Many writers were also given the chance to try all of the different types of writing such as straight news, feature and opinion, or sports to help them decide which was the best area for them. Others were given the chance to try their hand at photography, as well as learning how to develop and print pictures.

The Rifle Corps learned many new and difficult routines, requiring a good eye and showmanship, not to mention the ability to twirl.

The Corps worked hard on their routines, and were well received by audiances in parades, contests and other local events. The band is greatly indebted to these girls for the work they put in, and the entire school should be proud of their accomplishments.

Special Education

This year the special education class has been busy with many activities. They started the year off by going canoeing with the Key Club. The students worked on several practical projects such as making plum jelly, planting different types of seeds, and picking apples at Jones' Orchard. The class also visited different places around the local area. They took a tour of Mrs. Henry Ulen's home in Ulen Country Club. The class had an old-fashioned Thanksgiving dinner in the Herr Cabin at Memorial Park. During the Christmas season the class visited Conner Prairie where they relived the year of 1836.

In the classroom the students have lessons in science, history, English, and math. Emphasis is on practical knowledge in all areas taught.

SLIDE

Varsity Baseball/Reserve Baseball

The Varsity Baseball team ended their regular season with a record of ten wins and four losses. Their losses came from Avon, Lafayette Jeff, Chatard, and the second game of a double header with McCutcheon. The tigers went on to sectionals and defeated Tri West, Brownsburg and Avon who defeated them in the regular season. The tigers went on to Regionals to be defeated by Ben Davis in the first game by a score of 2-0, which was not such a big loss since Ben Davis went on to win the State Championship. Overall, the season was excellent.

The reserves ended the season with a record of five wins and one loss. Coach Dave Hedges was pleased with the season despite the eight rainouts that dampened the season. Four of the five games that the reserves won were ended in the fifth inning because of the ten run rule.

Boy's Golf/Boy's Track

The 1981 boy's golf team had a record of six wins and fine losses. The team consisted of five seniors, two juniors, one sophomore, and two freshman. At the sagamore conference meet the boy's tied for second with Brownsburg, Also, in a three way meet between Zionsville, Brownsburg and Lebanon, Lebanon came out on top! It was a tough season to get started, but after the first two meets were over it was smooth sailing with a few ups and downs.

To go along with that the boy's track team ended the regular season with a record of nine wins and three losses. The boy's came in third place at the Sagamore Conference meet and they came in fourth place at the sectionals. Kevin Kirk, Mark Woodard, Jim Peek, Maury Mossman, and Eric Swift did an outstanding job throughout the season, but it takes the whole team to win the meets.

The girl's tennis team ended the season with a record of five wins and six losses. Some of the outstanding talent came from seniors, Mary O'Neal, Liz Dickinson, and junior Linda Everett. Their losses were to Brebeuf, Harrison, Crawfordsville, Frankfort, BenDavis, and Pike. Though the season was pretty well even there is much promise for a good season in the future.

The other girl's team in the spring did a little better. The girl's track team ended the season with a record of seven wins and three losses. The girl's were defeated by Carmel, Noblesville, and Lawrence North. The girl's tied with Zionsville to beat Western Boone in the Boone County meet. Coach Susan Magee was pleased with the team's efforts and successes this year. These girl's deserve a pat on the back.

TOUCHDOWN

Varsity Football/Reserve Football

Under the direction of the head coach Steve Psikula and assistant coaches Damon Gates, John Goodwin, Jim Immel and Bob Wilhite, the Tigers improved their season record to four wins and six losses. Captains Jim Hinkle, Kevin Staton, and Rex Tayloe gave the team inspiration to give their all out on the field.

A change in the roster came when freshman quarterback Steve Wallace aided the team to their first victory of the season at Frankfort. The Tigers added a win to their record with a forfeit by Pike due to an ineligible player. The team spoiled the North Montgomery Chargers' homecoming by a score of 7-0, and then the tigers ended their season with a fine victory over Western Boone.

The tigers were defeated by an excellent Hamilton Southeastern team who came to the tiger's den for the first home game. The home field was not a good omen for the tigers this year since no victories were scored in Lebanon.

The reserve football team came up with an even record at the end of the 1981 season. Many of the boys that played on the reserve team got varsity experience throughout the season.

Girl's Golf/Freshman Football

Under the direction of the new coach, Dave Stephens, the girl's golf team finished the season with a record of three wins and four losses. They were victorious over Pike, Speedway, and McCutcheon, but fell to Ben Davis, Perry Meridian, Noblesville, and West Lafayette.

The L.H.S. golfers managed to place seventh in the tough sectional competition at Lafayette with freshman Mary Spoylar leading the team in scoring.

The Freshman football team had an extremely exciting season and finished undefeated. With outstanding players such as Doug Peebles, Jason Quellhorst, and Joe Klingler, the Tigers met each team with overwhelming success and an excellent offense. They scored 39 points against Frankfort and 38 points against Crawfordsville. The defense was right along with the offense contributing to hold three teams to no score. They came in fourth in the North Montgomery Invitational, fifth in the Frankfort Invitational, and fifth in the Sagamore Conference meet. There are three seniors: Maurry Mossman, Rick Thomson, and Florintino Correno, thus leaving a promising team for next year.

The Boy's Tennis Team lead by coach Roy Flannery ended the 1981 season with a record of six wins and four losses. Considering their losing season last year, they have done well. Next years' team will be a young one with only one returning senior and they will be losing seniors Peter Hill, James McCormick, and Pat Jamison who accounted for many of the wins.

STUFF-IT

Boy's Varsity Basketball

The 1981-1982 boy's basketball team had a rough season this year playing some of the best teams in the state. By starting out the season with a win against an excellent East Chicago Washington team, the outlook was good, but they just could not hold on to a winning streak.

The varsity boys were led in scoring by junior David Wright as he had many outstanding performances throughout the season. Senior Kevin Cook, playing for Coach Rosenstihl for the first time, did an excellent job underneath the basket as he started almost every game. The quickness of Dwight Lee and Rick Hoorman helped move the ball past their opponents as did the shooting of Scott Wood, Scott King and Randy Campbell. Freshman Joe Klingler came off the bench in the middle of the season and started for the team, doing an excellent job.

Many of the ups and downs experienced by this team could be attributed to not being able to find that winning combination of players that would make the team "click" game after game.

Junior Tim Daupert catches the camera's eye during a tiger pep talk.

REBOUND

Boys Reserve Basketball/Freshman Basketball

The reserve basketball team had a fair year. They started the season out slowly, getting beat by Chatard, but the cubs came back in the second game to hand a shattering defeat to the reserve team from Evansville Bosse. From then on the reserves experienced a fluctuating season.

Several players made outstanding performances throughout the entire season. Among these players were Jeff Dickerson, Tom Padgett, Mark Starkey, and Steve Spoylar.

Coach Ken Recher led the Freshman basketball team through an excellent season. Losing only two games out of the first ten games, they pulled through the first half of the season with superior strength. During the second half of the season the frosh showed just as much strength over their opponents.

The strength shown by the freshmen was a team effort as the bench helped out when the first five got in trouble. Defense was a key to the freshman victories as they averaged forty-eight points per game and held their opponents to thirty-three.

GBB

Girl's Varsity Basketball

The initials GBB were used to promote girl's basketball before the season started. Signs posted over the entire town saying "GBB is coming!" had everyone wondering what GBB stood for. Finally, as the meaning trickled through Lebanon, people anticipated how the girls would do in the 1981-1982 season. Not many fans were disappointed as the girls ended their regular season with a record of ten wins and four losses.

The girls started out slowly losing to Zionsville, but then came back the next weekend to beat North Montgomery. After getting beat by Brownsburg by a single point, the strong defense of GBB gave them a five game winning streak, beating tough teams such as Ben Davis and Greencastle. Three games were cancelled because of snow in January which put a damper on the spirit of the team, but the girls overcame it and did a fine job.

Not one single person exeeded in scoring for each game. Everyone contributed to the team. Senior Liz Lamer, a first year varsity player, used her height to an extreme advantage over most of the opponents as she averaged about thirteen rebounds per game. Jenny Obremsky stepped in to help out under the basket also. Brenda Vansickle and Laura Lee contributed by using their quickness to move the ball. Kim Anderson, Diana Smith, and Tina Gant added to the team by using their ability to shoot from the outside. The team as a whole averaged 42.4 points per game.

Also, for the first time in the history of the girl's basketball state tournament, the Lebanon team brought home the sectional trophy. The girls took the tourney by first defeating Southmont by a score of 34-13, and then by beating Western Boone in the championship game by a score of 40-19. They went on to regionals to be defeated by an excellent McCutcheon team in a crucially close game. The final score was 47-42.

Reserve Girl's Basketball/Boy's Swimming

The reserve girl's basketball team ended the season with an excellent record of twelve wins and two losses, losing only to Zionsville and Northwest. Led by sophomores Lianne Mitchell and Kathy Barrickman, the team had impressive wins over Ben Davis, North Montgomery, Crawfordsville, and Pike. Also contributing to the team were freshman starters Mary Spoylar, Vicki Sloan, and Cindy Barrickman. This year's team was coached by John Goodwin and assisted by Beth Dehn.

The boy's swimming team ended with a record of three wins and nine losses. They defeated Zionsville, Brebeuf, and North Montgomery. Some of this year's standouts were Mike Giles, senior, in the freestyle, Darren Wells, junior, also in the freestyle, Bryon Hibbetts, junior, in diving, and Scott Sanders, freshman, in the IM. Lebanon's swimmers came in behind Brownsburg, Frankfort, and Crawfordsville to place fourth in the Sagamore Conference meet. There are only two graduating seniors this year leaving a young team and a probable better season for the future.

TAKE DOWN

Wrestling

Junior Brian King and Senior Jeff Stevens pose for their sagamore conference victories.

This year's wrestling team, under the direction of Vic Jones, ended their regular season with a record of five wins and five losses. Wrestling takes a considerable amount of work, with practices consisting of ½ hr. of calisthenics, one hr. of moves and inter-squad wrestling, and the remainder lifting weights, running, and on the ropes. A few individual standouts are Jeff Stevens, Brian King, Larry Showalter, and Tom Demott. Jeff, having a very successful year with a record of twelve wins, one loss, and one tie in the 112 lbs. bracket, won the western tournament, in which the team tied for seventh, and took first at the sagamore conference meet, where the team finished fourth. Brian King, in the 132 lbs. category, also received a first at the sagamore conference, and a second at the Brownsburg invitational. Larry Showalter, who had another good year, in the 167 weight class, won the Brownsburg invitational along with a second in the sagamore conference. Tom Demott came up with a second place in both the sagamore conference, and the Brownsburg invitational. Others receiving honors at Sagamore are Mike Beard and Scott Pell. The accomplishments of these few shouldn't detract from the hard work of the whole team, all of them worked hard and should be commended for it. The graduating seniors include Jeff Stevens, Larry Showalter, and Tom Demott, leaving next year to a fairly young team and possibly a better season.

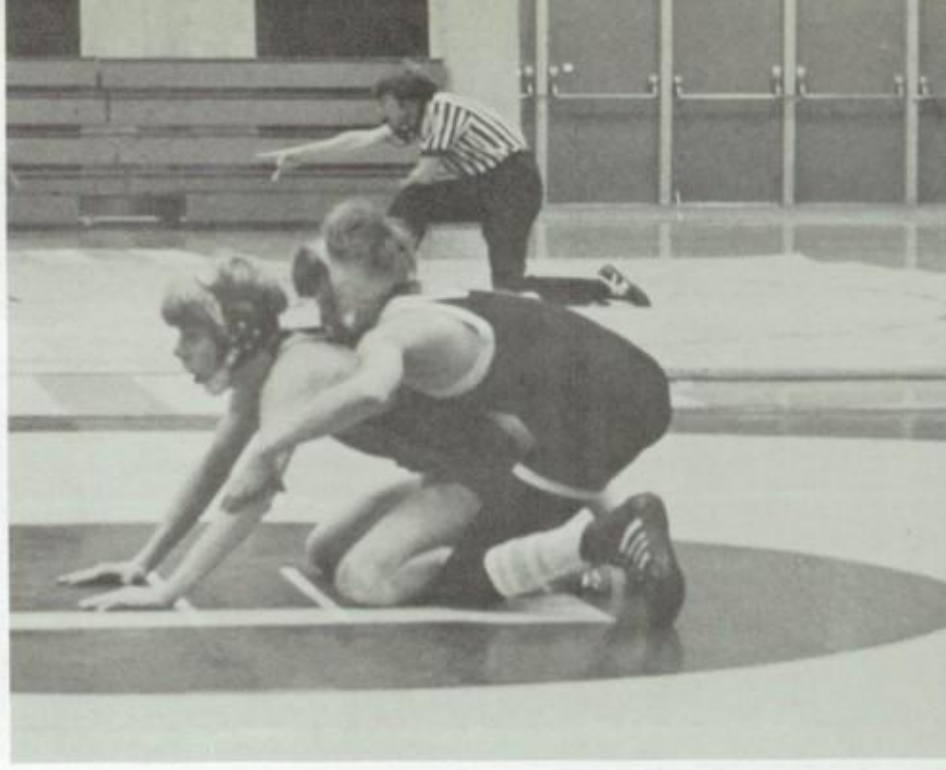
ADMINISTRATION

Athletic Department

Ending his thirteenth year as athletic director, James Rosenstihl made the 1981-82 school year a success where the sports program was concerned. Mr. Rosenstihl makes up the sports schedule so that everything coincides, and he also makes sure that everything runs smoothly for each event. Along with being athletic director, Mr. Rosenstihl is also the head coach of the boy's varsity basketball team.

Marilyn Davis, Mr. Rosenstihl's secretary, follows up behind him and makes a double check of everything for him. This is to ensure success. They have had a rough time with all of the snow this year. Many sporting events had to be post-poned, and sometimes, unfortunately, cancelled.

There are two kinds of athletic assistants. Part of them work in Mrs. Davis' office and help her by running errands and answering the phone. The rest of the assistants help out in the gym classes. By assisting the teacher and passing out equipment, these students can do a great deal for the gym instructor.



Sophomore David Hawkins gets ready for another march.

Junior Laura Lee looks to the sideline for help.

THIRD ROW: Junior Tonya Kirk finishes a "hair" ahead of her opponents. Doug White, junior, and senior Jeff Click jump ahead of the Hawks. Senior Kevin Cook takes a warm up shot. BOTTOM ROW: Seniors Jennifer Saalwaechrer and Joan Berry watch as juniors Laura Lee and Kim Anderson do a "high five!"

I wish every student at Lebanon High School could have the chance to be Editor of such a traditional publication as the Cedars. Learning the responsibility of meeting deadlines, administering authority, designing pages, and handling difficult situations has been an ever maturing process for me during my senior year. But, I can honestly say that I loved every minute of it! I had an absolutely fantastic staff to support me. Together we made it work. I hope that we have captured some special moments for you, the L.H.S. students.

We the 1981-82 Cedars Staff would like to dedicate this book to a lady that we love dearly, Mrs. Nancy Servies, sponsor. She always had a smile on her face. Thanks also go to the school administration, Price Studios, and representative of Josten's, Dick Maurer.
